Bill Clinton
FOR PRESIDENT COMMITTEE

June 25, 1992

Dear John:

Thank you very much for your letter on the horrible human rights situation in East Timor. It sickens me to hear of these kinds of violations in any country, but especially in one that has just tasted freedom.

As you stated, the plight of the people in East Timor is not an isolated case. I assure you that, as President, my foreign policy will not be divorced from the moral principles most Americans share. In a Clinton administration, human rights will be a foreign policy priority in Timor and in all countries.

Sincerely,

Bill Clinton
